

# FLEMING AVE - BRILL ST BLOCK ASSOCIATION MEETING

WE WILL ASK COUNCILMAN MARTINEZ EXACTLY WHAT STEPS HE WILL TAKE TO HELP US RESOLVE THESE PROBLEMS:

1. JUNKYARD, 2-8 BRILL - Why is it still there?
2. Trucks violating health & zoning codes 107-131 Brill St.
3. Why hasn't the sign barring trucks from Brill St. gone up?
4. Scaffold at 144 Brill St.
5. Port-O-San - are they dumping sewage?
6. Shalk St. sewer - why hasn't anything been done?
7. Breyers Ice Cream - what is being stored in chemical drums there?
8. Why isn't Aspen taking care of its Prudential property?
9. How can we get the zoning changes we want for our neighborhood?
10. The proposal for Ballantine property, and the garbage separation plant near our neighborhood - we want some answers
